

SIL-ACE (Advanced Central Evaluation) participation

I agree to the data from my flock being used in an across-flock and across-breed genetic evaluation for the purpose of calculating SIL-ACE breeding values and indexes across participating flocks from this date forward.

I will notify SIL if I wish to revoke this agreement.

Please note that in making available your data, you also agree to

- the publication of results for any ram from your flock which ranks in the top 25% of an index or trait leader list
- the results for any animal from your flock being viewable using internet search tools that SIL has developed.
